

KOREAN ADMITS BRUTAL MURDER

K. S. Park, Arrested for Killing
K. Jung, Confesses
His Guilt.

IS NOW IN COUNTY JAIL

CRIME COMMITTED LAST MONTH
AT CALIENTE, NEV.

H. E. Buckenau, city marshal of St. Anthony, Ida., arrived in Salt Lake at 10:15 o'clock yesterday morning, having in custody K. S. Park, the self-confessed slayer of K. Jung, a Korean laborer, who was murdered Sept. 5, at Caliente, Nev.

Both men were Korean railroad laborers who were working in the vicinity of Caliente. Park owed Jung \$5, and Jung continually kept after Park to repay the loan. The trouble one day resulted in a fight, but the men were parted, and afterward professed to be friends. On Sept. 5 neither man showed up for work, and a week later the body of Jung was found beneath a railroad bridge, a bullet wound through his heart.

A search was made for Park and finally, through the efforts of other Koreans, trace was obtained of the murderer in Idaho. Marshal Buckenau of St. Anthony found that Park was working in the best fields near Elgin Bench, seven miles west of St. Anthony, and arrested him.

Murderer Confesses.
Park at first was reticent, but finally confessed his guilt and told all the details of the murder. He said that he was angry at Jung because of the money transaction, and vowed to kill him. One night he saw his opportunity and enticed Jung away from camp and shot him through the heart. Then he dragged the body of his victim several hundred yards and concealed it beneath the railroad bridge where it was afterward found. From the person of Jung he stole \$7.50 after he had killed him.

Park's real name is an unpronounceable Korean cognomen, but he has been known as Park since he left his own country about six years ago. He has been in America about a year, though he worked for five years in Honolulu.

The murderer did not demand requisition papers, but consented to be taken back to Nevada. He is now in the county jail in this city awaiting the arrival of Sheriff Jacob Johnson of Lincoln county, Nevada, who will take the prisoner back to Caliente for trial.

WILL NOT MODIFY THE LAW

French Cabinet Ministers Deter-
mined Upon Separation of
Church and State.

Paris, Oct. 9.—After a session of the cabinet today, it was announced that the ministers, exclusively discussing questions relating to law providing for the separation of church and state, were in complete accord in regard to the integral enforcement of the law, but decisions regarding minor details were postponed until Friday.

There is no doubt that any attempt of the government to modify the law at the dictation of the vatican or hesitation to execute its provisions would result in the ministers being swept out of power. Many believe that the pressure on the cabinet government, with M. Clemenceau as premier, will follow the opening of parliament, unless the vatican yields.

Grenoble, France, Oct. 9.—Monsieur Henri, at Notre Dame today declared that every priest who assisted the formation of cultural associations, under the law, would be interdicted and that every Catholic joining such associations would be excluded from the church. The prelate added:

"Let us live poor, rather than purchase liberty at the price of dishonor."

BUILDING BOOM IS ON.
Goldfield Has Room for 100 Carpen-
ters at \$6 to \$8 a Day.

Goldfield, Nev., Oct. 9.—There is steady work here for at least 100 carpenters, at wages ranging from \$6 to \$8 a day. A building boom is on, and contractors are unable to get enough skilled labor to do the work. At least fifty buildings are uncompleted because of the lack of workmen, and plans are being drawn for another big stone office building, several stone buildings and half a hundred dwelling houses. Contractors have drawn carpenters and timbermen from the mines by offering a higher scale of wages, and some of the leases are unable to keep a sufficient force to timber the shafts. More real estate changed hands last week than at any like time in the history of the camp, which is rapidly growing into a city.

The 25 to 50 per cent discount on House Furnishings will be given at the I X L until further notice.

ELECT THREE NEW MEMBERS

Annual Meeting of Stockhold-
ers of Union Pacific Rail-
road Held in Salt Lake.

DIRECTORS ARE CHOSEN

LAND COMPANY ALSO CHOOSES
BOARD FOR ENSUING YEAR.

Three new names appear on the list of names of Union Pacific directors, chosen at the annual meeting of shareholders held in Salt Lake yesterday. These three had already been elected directors by the board itself, but their names were voted on by the shareholders for the first time yesterday. They are Albert J. Earling of Chicago, Robert W. Golet of New York and David Willcox of New York.

Mr. Earling is president of the Chicago, Milwaukee & St. Paul road, which is controlled by the Standard Oil interests. It is presumed this means simply giving these interests additional representation on the board. He takes the place of Otto H. Kahn, the banker, who resigned during the year.

Mr. Golet is well known as a New York capitalist. He fills the vacancy which Mr. Harris resigned, and is president of the Standard Oil Company. Thomas T. Eckert, president of the Western Union Telegraph company, General Eckert represented the Gould interests on the board, and followed his principal, George J. Gould, in resigning subsequent to the determination to build the Western Pacific, a competing road. General Eckert's increasing years gave another reason for his resignation.

Willcox in Schiff's Place.
David Willcox was chosen in place of Jacob H. Schiff of Kuhn, Loeb & Co., who resigned during the year from all directorates. Mr. Willcox is president of the Delaware & Hudson railroad, of which Mr. Harris for some time has been a director.

The other directors are: Oliver Ames of Boston, William D. Cornish of New York, Henry C. Frick of Pittsburgh, E. H. Harriman of Arden, N. Y.; Marvin Huggitt of Chicago, R. S. Lovett of New York, Charles A. Peabody of New York, William G. Rockefeller of New York, Henry H. Rogers of New York, Joseph F. Smith of Salt Lake, James Sullivan of New York, P. A. Valentine of Chicago.

There were represented 690,475 shares of preferred stock, out of 995,593 shares issued, and 1,511,113 shares of common stock, out of 1,564,799 shares issued. John N. Baldwin of Omaha, general solicitor of the road, was chairman of the meeting, and Alexander Millar of New York, secretary of the corporation, was secretary of the meeting. These two, with their secretaries, L. H. Corneil of New York, and E. J. Mieding of Omaha, and Parley L. Williams, general attorney of the Oregon Short Line, organized the meeting in a back room of the Harriman lines ticket office at Main and Second South streets and voted the stock.

Land Company Meeting.
The Union Pacific Land company met in the same place at 11 a. m. and elected the following directors: W. H. Bancroft of Salt Lake City, William D. Cornish of New York, Maxwell Everts of New York, E. H. Harriman of New York, R. S. Lovett of New York, P. L. Williams of Salt Lake City.

DODGED THE BULLETS.

Oklahoma Murderer Escapes From
Sheriff and Deputy.

Guthrie, Okla., Oct. 9.—A special to the State Capital from Tulsa, I. T., says that Joe Morris, charged with the murder of "Texas" Harper at the Glenn Oil pool, Aug. 21, today escaped from officers who were bringing him to the federal jail at Tulsa. When the sheriff and deputy in charge of Morris reached Cleveland, Okla., the prisoner made a successful break for liberty under a fusillade from the guns of the officers. A large reward has been offered for his capture.

The case in which Morris is alleged to be the principal is the one in which the Glenn brothers, millionaire oil operators, were implicated.

**BODIES BELIEVED
TO BE IN THE SMOKER**

Kingfisher, Okla., Oct. 9.—The discovery of a woman's skirt, gloves and sidecomb under one corner of the day coach of the Rock Island passenger train, which was derailed at the Cimarron river bridge near Dover, Sept. 13, led today to a renewal of the efforts on the part of Kingfisher county authorities to compel the railroad company to raise or destroy both the day and smoking coaches. It is believed by many that a number of bodies of missing passengers are inside the smoker, the entrances to which are choked with sand. It is probable that manumement proceedings will be brought by the county authorities.

ARRESTED AND IDENTIFIED

THIEF TAKES ADVANTAGE OF
HIS VICTIM'S SLUMBER.

L. E. Huntsman, a Portland attorney, lost a \$50 gold watch, \$48 in cash, a check for \$15 and a grip full of clothing and trinkets, while he slept yesterday morning.

P. J. Hawley was arrested last night by Officer Harris on suspicion, and was identified by Huntsman as the man who stole his property.

While Huntsman was walking down the street Monday morning, he fell in with a man answering Hawley's description. The stranger said that he had had some trouble with his landlady and wished to find a rooming house. The attorney took him to the rooming house of Mrs. N. Hansen, 28 East Second South street, where he had a room.

The two went to Huntsman's room, where the lawyer endeavored to enlighten the stranger's mind with a chapter of Blackstone, which he read aloud. The legal intelligence of the brilliant attorney did not impress the guest, and when the young barkeeper looked up from his reading he found the stranger had fallen asleep.

No Farewell Was Said.
Huntsman then lay down on the bed and fell asleep. He awoke at 4 o'clock yesterday morning, he found his guest had departed without disturbing him. He also discovered that his purse containing \$48, his highly prized gold watch, his new overcoat and his grip filled with clothing had been taken by the stranger in leaving.

Huntsman notified the police last night and the arrest of Hawley followed. Huntsman claims to identify Hawley by a scar on the forehead of the prisoner. Hawley denies all knowledge of the crime or ever having seen the lawyer before. The stolen goods were not located.

OHIO VERSUS STANDARD OIL

Continued from Page 1.

It is stated, constitutes the bulk of their case, is contained in a document authentic as the history of the state as the history of the Standard Oil litigation before that body. It was all objected to by the defense as irrelevant, and the court, Judge Barker, presiding. The document read to the jury today, which occupied the whole of the afternoon session following the statement of the case by John D. Rockefeller, the original trust agreement of 1882, the pleadings in the case before the supreme court in 1892, which resulted in the order to dissolve the trust, the pleadings in the same court in 1897 resulting in a judgment in favor of the Standard Oil company, and the pleadings in the case before the supreme court in 1905, which resulted in the order to dissolve the trust. The document was read to the jury by John D. Rockefeller, during the litigation which the prosecution desired to read had just been reached when adjournment was taken until 9 o'clock tomorrow. Mr. Kline indicated that there would be much to be said before these were allowed in the record, "as we are entitled to our witnesses face to face," he remarked.

Little Interest Taken.
The trial attracted very little public attention during the morning session, but for a short time in the afternoon the court room, which can accommodate more than 200 persons, was filled. The tedious reading of the evidence discouraged public interest, and when adjournment was held, few but the interested parties were present.

The jury before which the case is being tried is composed as follows: William Sharp, farmer; C. O. Myers, farmer; Joel W. Shurtz, farmer; John P. Oman, farmer; A. L. Bailey, farmer; Judd Bushong, farmer; C. W. Damon, real estate dealer; Elsworth E. Huston, farmer; Grant Gibson, farmer; E. W. Bennett, farmer; Preston B. Cathers, oil man; H. J. Butledge, implement dealer.

DOCTOR DESPAIRED

Anemic Woman Cured by Dr. Williams' Pink Pills Recommends the Pills to All Others Who Suffer.

Anemia is just the doctor's name for bloodlessness. Dr. Williams' Pink Pills cure anemia as food cures hunger. They cured Mrs. Thomas J. McGann, of 17 Lincoln Place, Plainfield, N. J., who says:

"In the spring of 1903 I did my usual house cleaning and soon afterward I began to have the most terrible headaches. My heart would beat so irregularly that it was painful and there came a morning when I could not get up. My doctor said I had anemia and he was surprised that I had continued to live in the condition I was in. I was confined to my bed for nearly two months, the doctor coming every day for the first few weeks, but I did not improve to amount to anything. Altogether I was sick for nearly two years. I was as weak as a rag, had headaches, irregular heart beats, loss of appetite, cramps in the limbs and was unable to get a good night's sleep. My legs and feet were so swollen that I feared they would burst.

"Before very long after I tried Dr. Williams' Pink Pills I felt a change for the better. I have taken about twelve boxes and although I was as near the grave as could be, I now feel as if I had a new lease of life. I have no more headaches, the heart beats regularly, my cheeks are pink and I feel ten years younger. I feel that I have been cured very cheaply and I have recommended the pills to lots of my friends."

Dr. Williams' Pink Pills are sold by all druggists, or will be sent by mail on receipt of price, 60 cents per box, six boxes \$3.50 by Dr. Williams Medicine Co., Schenectady, N. Y.

DEMOCRATS NAME TICKET TODAY

Continued from Page 1.

True, though, that the sum of \$4,700 had been collected in the last campaign through assessments, and the money came in at a most opportune time.

A motion to assess members of the legislature \$250 each was put and lost. Then the argument started afresh and threatened to become warm when someone moved that the whole matter of assessments be left to the county committee. Various candidates expressed themselves to the effect that they would be perfectly satisfied with any action the committee might take. Then the motion was put and carried.

"And you needn't think you are going to be let off with any 15-cent assessment, either," said the chairman, smiling. But the candidates did not smile.

The committee meeting came to an end at a little after 10 o'clock. "Nothing was done except to elect a chairman and a secretary," said Mr. Elledge. "We spent a little time, though, in discussing plans for the campaign. No, we didn't take up the matter of assessments. We wouldn't discuss such a thing at a meeting of this kind." From which it seems apparent that the chairman, who happens to be at the same time a candidate for the county clerkship, has a most convenient memory.

LABOR MEN FOR SMITH.

Will Fight Emery Because of Broken Pledge.

The leaders of the Independent Labor party are elated because of the action of the Republican county convention in nominating C. Frank Emery for a third term for sheriff, over John Y. Smith, Jr., who is the nominee for that office of the Labor party ticket. They say that the nomination of Emery has strengthened their ticket much more than though Smith had been nominated.

"It has certainly hurt the Republican chances of success in that office in particular, and for the whole ticket in general," said one of the labor leaders last night.

"The fact that Emery pledged himself at the last county convention to support Smith, if Smith would withdraw from the field at that time, and that he went back on that promise, will do the Labor ticket a great deal of good. Emery threw Smith down, and now Smith's friends are going to the polls with the intention of throwing Emery a great deal harder than Smith fell. The voters will not all come from those who would have voted the Labor ticket under any circumstances, but will come from hundreds of Republicans who have been disgusted by the double deal.

"Smith got the double cross in the convention, and now Emery will be repaid for it. Emery's friends declare that he will win, but there are men of honest convictions in the ranks of the laborers who want to see fair play and who will not play like a pledge-breaker. These men will vote for Smith, to Emery's chagrin."

Garfield Democratic Ticket.
Panguitch, Oct. 9.—The Democratic county convention met in Panguitch today and nominated the following ticket for county offices:

Representative, James B. Burroughs; commissioner, four years, Henry N. Cowles; county auditor, four years, James N. Henderson, Cannonville; county clerk, James M. Sargent, Panguitch; sheriff, Samuel L. Gould, Panguitch; county attorney, Isaac H. Dickenson, Panguitch; county recorder, Mary E. Tebbes, Panguitch; county treasurer, Thomas Houston, Panguitch; surveyor, James M. Sargent, Panguitch.

TALKS OF BACKSLIDERS.

"Backsliding Christians" was the subject discussed by Mr. Lloyd at the Central Christian church last evening. The speaker said the causes of backsliding are care of the world, improper connections, inattention to private prayer, self-conceit, indulgence and parleying with temptation.

Political Notes.

Those who fail to register today may not be permitted to vote at the election next month. There will be two more registration days, Oct. 16 and Oct. 30, but all of the party committee are extremely desirous of securing as full a registration today as is possible, in order to get rid of that much of the routine election work. Under the new statute it is necessary for all who failed to vote at the last national election, whether their names are on the registration books or not, to register again. Otherwise they will not have the suffrage privilege this year.

The first "American" rally at Bingham will be held at the copper camp Saturday night next. The speakers

will be A. T. Sanford, Thomas Weir and W. S. Dalton. Arrangements for a special train are being perfected.

The Democratic county convention delegates from the Third precinct held a caucus last night at the residence of J. W. Haslam, Perley A. Hill was elected chairman of the precinct, with John Howells, Thomas Morris and John B. Reid as members of the city and county committee. A. E. Hyde was chosen to act as chairman of the delegation in the convention today. Committeemen were selected as follows: On platform and resolutions, D. O. Willey, Jr.; on permanent organization, W. J. Newman; on credentials, Albert J. Seare. A resolution declaring it to be the sense of the delegates that the legislative ticket should be named first was adopted.

Chairman Daniel I. Elton of the Independent Labor party campaign committee has announced that arrangements are under way to secure a hall at Murray, where a series of rallies will be held during the campaign. As soon as the hall is secured, announcements of the dates of meetings will be given. There are a number of speakers who have volunteered to speak at Murray and Sandy, and a series of mass meetings will be commenced as soon as possible, and will be continued through the campaign.

Samuel Russell is a candidate for nomination on the Democratic ticket for the lower house of the legislature of the Fifty-fourth district, are pledged to support him in his struggle for the nomination.

The first Independent Labor party street meetings will be held on Main street tonight, beginning shortly after 8 o'clock. Meetings will be held at Main and First South, Second South and Third South streets during the evening. Among the speakers who will address the meetings are A. E. Gregory, chairman of the executive committee of the campaign; Charles Vinson and H. R. Cromer, nominees for county commissioner; Alfred Smith, Charles J. Reading and John Waterhouse, nominees for the lower house, and Daniel I. Elton, chairman of the campaign committee.

MIDDLE LIFE

A Time When Women Are Susceptible to Many
Dread Diseases—Intelligent Women Prepare
for it. Two Relate their Experiences.

The "change of life" is the most critical period of a woman's existence, and the anxiety felt by women as it draws near is not without reason. Every woman who neglects the care of her health at this time invites disease and pain.

When her system is in a deranged condition, or she is predisposed to apoplexy, or congestion of any organ, the tendency is at this period likely to become active—and with a host of nervous irritations make life a burden. At this time, also, cancers and tumors are more liable to form and begin their destructive work.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness, inquietude, and dizziness, are promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

Lydia E. Pinkham's Vegetable Compound was prepared to meet the needs of woman's system at this trying period of her life. It invigorates and strengthens the female organism and builds up the weakened nervous system. For special advice regarding this important period women are invited to write to Mrs. Pinkham at Lynn, Mass., and it will be furnished absolutely free of charge. The present Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham, her assistant before her decease, and for twenty-five years since her advice has been freely given to sick women.

Read what Lydia E. Pinkham's Compound did for Mrs. Hyland and Mrs. Hinkle:

"I had been suffering with displacement of the organs for years and was passing through the change of life. My abdomen was badly swollen; my stomach was sore; I had dizzy spells, sick headaches, and was very nervous. Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail."

"During change of life words cannot express what I suffered. My physician said I had a cancerous condition of the female organs. One day I read some of the testimonials of women who had been cured by Lydia E. Pinkham's Vegetable Compound, and I decided to try it and to write you for advice. Your medicine made me a well woman, and all my bad symptoms soon disappeared."

"I advise every woman at this period of life to take your medicine and write you for advice."—Mrs. Lizzie Hinkle, Salem, Ind.

What Lydia E. Pinkham's Vegetable Compound did for Mrs. Hyland and Mrs. Hinkle it will do for other women at this time of life.

It has conquered pain, restored health, and prolonged life in cases that utterly baffled physicians.
